OBJECTIVE

Creative and curious Computer Science student with a strong foundation in programming, databases, and web development. Passionate about building user-friendly digital experiences and exploring the latest in AI and technology. Eager to apply academic knowledge in real-world scenarios, continuously learn, and contribute meaningfully to innovative projects.

EDUCATION

Bachelor of Computer Application 2022 - 2025
Pratibha college of Commerce and Computer Science, Pune.

Class XII 2022
Shri Mhalsakant Junior College, Pune, 50.67%

Class X 2020
Perna Madhyamik Vidyalaya, Pune, 78.20%

SKILLS

Web Development	HTML, CSS, Javascript, ReactJS, PHP, Java
Data Analysis	Python (Pandas, NumPy), SQL, Excel
Databases	MySQL
Tools	Git, GitHub, Power BI(basic), XAMPP
Soft Skills	Communication, Teamwork, Problem-solving

PROJECTS

Student Attendance Management System January 2025 - March 2025
Major Project

- Developed a full-stack Student Management System using PHP and XAMPP.
- enabling students to view and update their details while providing admin access to manage student records efficiently.
- Implemented a secure login system and user-friendly interface to streamline data management.
- Features include secure login for admin, teachers, and students, real-time record updates, and report generation.
- Built with PHP and MySQL for dynamic data management.

Madhav E-commerce Sales April 2025 - May 2025
Internship project

- Designed an interactive Power BI dashboard to visualize Madhav E-commerce sales data.
- The project highlights key metrics such as total revenue, monthly trends, top-selling products, and customer segmentation.
- Focused on enhancing business decision-making through data storytelling and dynamic filters.
- Integrated slicers and drill-through features for detailed analysis.
- Ensured clean, user-friendly visuals with responsive design to support both management and operational insights.

INTERNSHIP/TRAININGS

- Data Analyst Internship - UNIFIED MENTOR. 25/04/2025 - 25/05/2025

CERTIFICATIONS

-Python Programming	Great Learning
-Java Programming	Simplilearn — SkillUp
-C and C++	Disha Computer
-AI Course	Infosys Foundation
-Job Skill Training in Customer Service	WNS Global

ACHIEVEMENTS

-Trophy winner at Techno Case Competition	-Pratibha College
